"Toward New Horizons", the motto of the F. H. A., expresses the purpose of the Pandora Chapter. The national organization of the Future Homemakers of America of which the Pandora Chapter is a member, was organized for girls studying Home Economics to promote a growing appreciation of the joys and satisfactions of homemaking, to work for good home and family life, and to encourage democracy in home and community life.

The F. F. A. is a nation-wide organization composed of boys who are either enrolled in the Vocational Agriculture course in high school or were enrolled in the course when they were in high school.

The aim of this organization is to teach to our up and coming young farmers the most modern techniques in farming and also the values of organization.

There are four degrees given to F. F. A. members for their accomplishments. The first degree is the Green Hand given to the first year members; next comes the Chapter Farmer, and then the degree of State Farmer. The Pandora Chapter of the F. F. A., has had four State Farmers so far in the history of the school. The highest degree is Star Farmer which is presented to only one member of the entire F. F. A. organization each year.

JUNIOR PLAY

On the night of December 1, the Junior class presented the play "We Shook the Family Tree". This play centered around Hildegard Dolson who entered a debate hoping to make a hit and thereby land a date for the Junior-Senior Prom. The topic of the debate was "Should We Return to Prohibition", and during the course of her talk, Hildegard gave everybody the mistaken impression that her father was a drunkard.

The talk circulated around town that Mr. Dolson was a drunkard and thus it got to the ears of Mr. Shermer, her father's boss. Quite a rumpus was raised by Mr. Shermer especially when he and his wife came over for tea and found the front yard crawling with worms, as the result of Jimmie's electric wormer, and when Bob came charging downstairs in his shorts, and tackled Mr. Shermer whom he mistook for Freddie.

It all came out well and it was a riot of fun while it lasted.

The play was directed by Mrs. McKanna and Mr. Hall.

The Seniors presented the play, *The Arrival of Kitty*, on the nights of April 21 and 22.

The play centers around Bob Baxter, who is in love with Jane, the girl of his dreams. Jane's father made an eccentric will instructing Jane to marry Benjamin Moore, a bachelor of 40, who had once saved his life. Moore was quite willing to carry out the conditions of the will, as was also, Jane's uncle, William Winkler. However, since Jane was in love with Bob, she had ideas quite to the contrary.

Winkler took Jane, her aunt, and the maid to the Haleyon House, determined to force Jane to marry Moore. Winkler was in love with Kitty, a well known actress. Bob told aunt Jane about Winkler and Kitty but Winkler, by a lucky stroke, spiked his guns and left Bob holding the bag. Bob, attempting to get even with Winkler, impersonated Kitty and made things so hot for Winkler that he finally agreed to the wedding, and all ended happily.

The play was directed by Mrs. McKanna and Mr. McKinney.

The Scholarship Team of Pandora High School is an organization of which little is known. The number in the team varies between thirteen and fourteen members who are representatives of the upper four grades.

The Scholarship Team traveled to Bowling Green on May 7, where its members matched their talents with the talents of the representatives of the other schools in the state of Ohio. Usually several of our students rank in the upper ten per cent of the state.

Not much is heard of our Scholarship Team and the students do not get nearly enough credit for the great amount of hard work they put into their job in the form of study. We all hope that in the future this team may receive as much recognition as the other organizations in the school.

CAMERA CLUB

The Camera club is a newly formed organization in Pandora High School this year. The purpose of this club is to learn how to take good pictures, to learn to develop our own negatives, and to learn to print our own pictures.

This club meets every other week and individuals of the club come to the "dark room" whenever they have negatives to develop or pictures to print. We hope to learn from other's experience and to help others profit from our own mistakes.

It is our aim that each member shall have made at least one good print for the spring exhibit.

PATIENCE

Burthorne, has all the maidens entranced. Lady Jane, relates the sad news that Bunthorne is in love with Patience. Patience, knowing nothing of his love, tells the maidens to stop their sighing and return to the Dragoon Guards. However, the maidens are so entranced by Bunthorne that they pay no attention to the Guards.

Patience, believing it is her duty to fall in love, meets Grosvenor who is so attractive that all fall in love with him. Grosvenor and Patience confess their love for each other but Patience then remembers that true love must have some sacrifices and since they find no fault in each other they separate.

Meanwhile Bunthorne decides to hold a lottery to decide which of the young maidens shall become his bride. In the midst of the drawing, Patience appears and reveals her intention to marry Bunthorne, Grosvenor, frightened into obeying Bunthorne's decree that he abandon all symptoms of estheticism, appears as a "Natural and matter of fact" young man. All the maidens follow suit and return to their faithful admirers, the Dragoon Guards. Patience returns to Grosvenor, leaving Bunthorne without a bride.

THESE TEAMS REPRESENTED US ON TH

THIS IS 49

FINALLY, WE COME TO
OUR ATHLETES

... those people who would rather
lose graciously a well-played
game, than to trample a weaker
opponent into the dust.

ATHLETIC FIELDS DURING THE YEAR

FOOTBALL

Coach Hall, known to many as "Shelly", was the mentor of the football squad. Coaches Hall and Strahm instilled in the players a respect for fair play and sportsmanship and also the will to play a good wholesome game.

Certainly anyone who saw all the games saw some good football played by the 1948 Fleetwings.

The team's efforts to choose an honorary Captain for the season resulted in a three way tie among Jim Kiene, Owen Etter, and Gene Suter.

FIRST ROW:

Roy Schutz, Mgr., Dale Lehman, Donald Augsburger, David Diller, Arthur Gratz, Robert Radebaugh, Donald Basinger, Darrel Diller, Norman Hilty.

SECOND ROW:

Paul Hilty, Richard Boehr, Peter Diller, Dwight Bixel, Dean Diller, Dale Bridenbaugh, Robert Gerdeman, Billy Fridley, Eugene Steiner.

THIRD ROW:

James Kiene, Owen Etter, Richard Rice, Julius Bixel, Gene Suter, Gary Welty, Stanley Newton, Oliver Lugibihl, Richard Reese, John Windau.

VARSITY BASKETBALL

The basketball team of the '48-49 season was coached by Mr. Robert Strahm. Coach Strahm came to Pandora from Findley College where he starred in Athletics. This being his first year, we wish the fellows could have given him a better win and loss record. But, as we all know, it is not winning the game that counts. Learning the rules of sportsmanship and fair play, and learning to do one's best are far more valuable than top scores. Certainly we have therefore been afforded an excellent opportunity.

FIRST ROW:

Donald Basinger, Billy Fridley, Richard Reese, Dwight Bixel, Bobby Lehman.

SECOND ROW:

Dean Diller, Richard Rice, John Moser, Alden Bohn, Robert Gerdeman.
